FOR IMMEDIATE RELEASE

Setpoint Integrated Solutions Named Premier Distribution Partner of Gestra USA for the Gulf South Region

Baton Rouge, LA (March 29, 2018) - Setpoint Integrated Solutions (Setpoint I.S.) is very pleased to announce our agreement as the new, premier distribution partner of Gestra USA for Texas, Arkansas, western Tennessee, Mississippi, Alabama, Louisiana, and the Florida panhandle effective immediately.

"This agreement augments our existing offering for Steam and Condensate Management Solutions throughout our entire footprint within the Gulf South, from Texas to the Florida Panhandle up to Tennessee and Arkansas. Gestra is a premier brand and we look forward to continued partnership and growth," said Jeff Kelley, Vice President of Sales for Setpoint Integrated Solutions.

About Gestra USA

Established in 1902 and still manufacturing in Bremen, Germany, Gestra has been physically present in the United States since 1976. Gestra is a global leader in the design and production of high quality steam traps, boiler controls, check valves, control systems and critical service valves for the efficient use and control of steam and process fluids. Gestra products have many practical uses and are applied where energy savings are desired wherever steam is generated, distributed or used, liquid & gaseous media flow, and where operational reliability and environmental protection play an important role.
