+ ACTUATION

+ Pneumatic Actuators

Rack & Pinion	Automax, Triac, Rotork
Vane	K-Tork
Scotch Yoke	Rotork, Automax, Triac
Linear	ATI, Masoneilan, Rotork

+ Hydraulic Actuators

Scotch Yoke	Rotork, Automax, Triac
Linear	ATI, Rotork
HPU's	ATI, Rotork
Rack & Pinion	Triac, Automax, Fluoroseal, Rotork and Unitorq

+ Instrument Valves

Needle	Flo-Lok/SSP, Phoenix
Manifold	Kerotest, Phoenix
DB&B	Triac, Phoenix
MonoFlanges	Phoenix
Ball	SSP, Phoenix

+ Electric Actuators

Rotary	Rotork, RCS
Multi-Turn	Rotork, RCS

+ Automation Accessories

Positioners	Masoneilan, Automax
Limit Switches	Automax, TopWorx, Westlock
Solenoid Valves	Asco, Norgren Herion, Versa
Override Gears	Triac, Automax, Dynatorque
Tube Fittings	SSP
Air Regulators	ControlAir, Masoneilan
Transducers	AST, ControlAir, Masoneilan
Bellows	Shaw

+ Damper Valves

BFV	Frisch, Newfab
Gate	Frisch, Newfab
Automation	Type-K

+ CERTIFICATIONS & AFFILIATIONS

+ VALVES & REGULATORS

+ Control Valves

Post Guided	Masoneilan
Cage Guided	Masoneilan
Rotary	Masoneilan, Cashco
Lined	Masoneilan, Cashco
General/Extreme Service	Masoneilan

+ Plug Valves

Sleevelined	Durco, Fluoroseal
Lined	Durco, Fluoroseal
DB&B	General Twin Seal

+ Butterfly Valves

Resilient Seated	Kitz, Ultraflo, Triac
Lined	Durco
High Performance	Durco, Neway, Triac
Triple Offset	Neway

+ Gate Valves

Cast	Neway, Powell, Walworth
Forged	Hancock, RPC, Stockham, Vogt, Bonney Forge
Knife	Fabri (ITT), Frisch
Slide	Frisch, ValvTechnologies
Pipeline	Neway, Walworth, Sup-R-Seal, General Twin Seal

+ Check Valves

Cast Swing	Neway, Powell, Walworth
Forged	Stockham, RPC, Vogt, OMB Bonney Forge
Piston	Stockham, RPC, Vogt, Klinger
Tilting Disc	Valmatic
Dual Plate	Neway, Walworth, Valmatic
Ball Check	Stockham, Vogt

+ Pressure Relieving

Blanketing	Cashco/VCI, Burling,
Electromatic Ball	Consolidated
Pilot Operated	Consolidated
Pressure/Vacuum	Burling, Cashco/VCI, Consolidated, Richter
Rupture Disk	Zook
Tank Vent	VCI, Cashco
Manway	VCI, Cashco
Teflon Lined Relief	Richter

+ Ball Valves

Floating	Kitz, Walworth, ITT, Neway, Triac, Virgo, Apollo
Trunnion	Walworth, Neway, PBV, Virgo
Severe Service	TBV, ITT, Perrin
Hi Alloy	TBV, OMB, Cooper
Lined	Atomac, Fluoroseal
Cavity Filled	Cornerstone, Kitz, Triac
Lined Control	Durco
ITT	Dia-Flo
Segmented	Masoneilan

+ Globe Valves

Cast	Neway, Powell, Walworth
Forged	Hancock, RPC, Stockham, Vogt, Bonney Forge

+ Steam Isolation

Low Pressure	Klinger (Piston)
High Pressure	Hancock, Perrin

+ ON-SITE / MOBILE REPAIR SERVICES

+ Repair & Testing Services

ValScope/Benchmark Diagnostics: In-house or In-line control valve diagnostics (computer generated test & documentation)

Control Valves: Complete repair, control valve diagnostics (ValScope/Benchmark), removal & installation, loop diagnostics, equipment surveys & documentation

Safety & Safety Relief Valves: National board VR repair & recalibration to ASME standards

Electronic Valve Testing: In-line computer assisted safety & relief testing

Coker Valves: Fully authorized "Velan" delayed coker valve shops, switch valves, isolation valves & actuation repairs

Electric Valve & Pneumatic Actuators: Inspection service, repair, testing & documentation; In-shop or on-site

Line & Block Valves: Complete repair & testing of gate, globe, check, plug, ball & butterfly valves

On-Site Machining: Flange re-facing, in-line boring, valve seat regrinding/polishing, etc.

ValvKeep II: Equipment, part & maintenance record management

Mobile Field Repair: Total valve machining, welding, repair & testing on-site (VR)

Pipe Fabrication: Custom pipe fabrication services

Welding : ASME Section IX Code

+ Rapid Replacement Equipment

Valves, actuators, positioners

+ Re-man: Control, Ball & Gate Valves

Largest supply of re-manufactured control, ball & gate valves in the U.S.

+ Complete Turnaround Management

Customer dedicated turnaround team & strategically designed processes ensuring the best solution for requested delivery

+ Asset Integrity Management

Control & Pressure Relief Valves: Inventory management, certification documentation, repair & statutory compliance

Instrumentation: Inventory management, certification, documentation, repair & statutory compliance

Sight Glass Services: Repair, testing, reconditioning & documentation services & replacement parts

Steam Trap Services: Surveys, diagnostics, application support, removal/installation & documentation

+ HANDS-ON APPLICATION TRAINING

+ Masoneilan

- Basic control valve theory & application
- Teardown & rebuilding
- Top works
- Sizing & selecting using ValSpeQ & SMART digital positioners

+ Innovation Technology Center

- Simulation of complete process plant
- Network troubleshoot (HART, Profibus, Modbus, Foundation Fieldbus)
- P&ID readings
- State-of-the-art lab rooms & stadium seat auditorium

+ Consolidated Relief Valves

- Sizing & selection
- Application
- ASME code
- Terminology

Technology

- Direct spring
- Pilot operated
- Vents
- Rupture disc

+ INSTRUMENTATION

+ Monitoring

Emissions	EONE
Vibration	STI
Pressure	AST

+ Steam

Strainers	SpiraxSarco, Mueller, Titan
Traps	SpiraxSarco
Regulators	Cashco, Burling

+ Solenoid Valves

Pilot	Norgren Herion
2/3/4-Way	Versa, ASCO

+ Measurement

Flow	Ashcroft, GPI, Jacoby Tarbox, Veris, Primary Flow Signal
Level	Accutech, Jerguson, Jogler, Masoneilan, AST, TURCK, Clark Reliance
Pressure	Accutech, Ashcroft, AST, TURCK
Temperature	Accutech, Ashcroft, AST, TURCK

+ Instrument Accessories

Fittings	New Age, SSP
Sampling	Alta-Robbin, Biar, Luxfer
Tubing	NewAge, Salzgitter, American Tube Co.
Tubing Support	Channel Track, SeaSafe

+ PROCESS AUTOMATION

+ Control/Safety/Surveillance Systems

Schneider Electric/Modicon, TRSS (Control MicroSystems) PELCO, Foxboro (IA, Triconex), HIMA, ABB: DCS, PLC, SIS, SCADA, HMI, OI, Cameras, NVRs

+ Power & UPS Systems

Schneider Electric/Square D, Cyberex: Softstarts, VFD's, MCC's, Power Transformers, Panelboards, Switchgear, E-Houses, UPS

+ Connectivity & Wireless Products

Masoneilan, Schneider Electric/TRSS (TRIO, Accutech), TURCK: Process wiring, field I/O, gateways, power supplies, switches, WirelessHART

+ Analytical Gas Detection

EOne, FPI: Waste water, Ph, GCs, Tunable Diode lasers, conductivity sample systems

Universal: Scott

+ Industrial Controls

Relays, Timers, Terminal Blocks, Enclosures, Sensors, Contactors, Starters

+ System Integration/Controls & Instrumentation Services

CAD drawings, Control Panels, HMI, Commissioning, Programming, Installation, Calibrations, Training & Start-Up

+ Liquid Filtration & Purification

Lubricating Oils, Hydraulic Fluids, Fuel Oil, Transformer-Insulating, Analysis

+ Thermal & Coolant

Automatic or fixed filter systems for high or low temperature

+ Air & Gas

Air Filters, Gas Turbine & Compressor Inlet Air Systems, Compressed Air, Fuel Gas

+ Replacement

Large inventory of cartridges & bag filters for most process equipment

+ Process & Water

Water Filters & Reverse Osmosis Systems, Cooling Towers, Water Analysis

+ Services

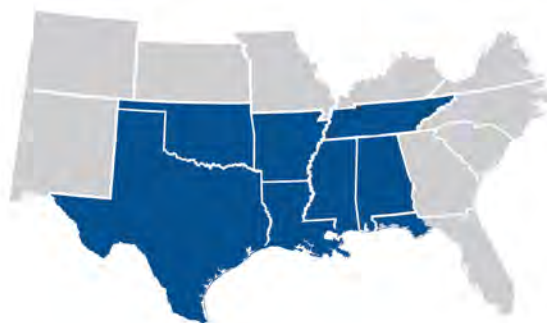

Consultants for system design, on-site operation of rental dehydration systems, hydraulic & lube oil flushing, system modifications, on-site testing, oil purification on-site or at our shop & filtration/purification training

+ Rental

Fuel, Oil Filtration & Purification, Bag & Cartridge Filter Housings, High-Flow Trailer Mounted Bag Filtration Systems
